

For Immediate Release

## DW<sup>®</sup> Introduces New 21 Megapixel MEGApix<sup>®</sup> PANO<sup>™</sup> Multi-Sensor Vandal Camera

Four cameras in one to see more from one installation.

*MEGApix<sup>®</sup> PANO<sup>™</sup> 21MP Multi-Sensor Vandal Camera*

**Cerritos, CA (January 21, 2018)** – [DW<sup>®</sup>](#), the industry leader in digital recorders, surveillance cameras and related management software, announces the availability of our new MEGApix<sup>®</sup> PANO<sup>™</sup> 21 megapixel multi-sensor vandal IP camera. The DWC-PZV21M69T utilizes four sensors configured for 180° panoramic views, taking the place of multiple cameras and reducing associated installation costs of a surveillance system. The four cameras in one housing requires only a single network connection and single recording license in DW Spectrum<sup>®</sup> IPVMS.

The MEGApix<sup>®</sup> Pano<sup>™</sup> 21MP multi-sensor IP vandal camera produces 180° views at real-time 30fps. The camera supports advanced features such as H.264 codec and Smart DNR<sup>™</sup> in an aluminum vandal housing with zero distortion antireflective glass including CleanView<sup>™</sup> hydrophobic coating. The 21MP camera does the work of many cameras from one installation, delivering both unprecedented wide views and details.

# Digital Watchdog Press Release

---

“DW® is a leader in both multi-sensor and fisheye panoramic cameras,” said Mark Espenschied, Director of Marketing, DW®. “This new 21 megapixel model fills a crucial need for systems where our unparalleled 48MP model is more resolution than the application requires.”

## Features include:

- 4x 6.4MP 1/1.8" image sensor at real-time 30fps
- 21MP 180° panoramic view IP camera
- 4x 8.0mm fixed lens
- Fast frame rates: real-time 30fps at 21MP
- Zero distortion anti-reflective glass
- CleanView™ hydrophobic dome coating repels water, dust and grease
- PoE injector included
- Dual codecs (H.264, MJPEG) with simultaneous dual-stream
- Two-way audio
- Easy image alignment and stitching
- Smart DNR™ 3D digital noise reduction
- True day/night with mechanical IR cut filter
- Auto gain control (AGC)
- Auto white balance (AWB)
- Motion detection
- Alarm sensor input
- Relay output
- Web server built-in
- ONVIF conformant, profile S
- PoE+ high power and DC12V
- IP66 certified weather and tamper resistant
